Z1202 Top Bag

INSTALLATION

1. Position the Top Bag on the rear fender cover, just behind the backrest.
2. Loop the tie straps through the lower, outer "D" rings and around the grab rail and/or saddlebag mounts.
3. If tying to the grab rail, wrap the tie straps around the entire bag (over the lid) for greater security.
4. The inner "D" rings are for mounting to the backrest.
5. Insert the tie strap into the tie strap clamp and pull until tight.
6. Important: Make certain that the Top Bag is securely attached to the motorcycle.
7. Important: Tie the loose ends of the tie straps so the straps to the Top Bag and/or the motorcycle do not dangle.

MAINTENANCE

Periodically clean and protect your bags against moisture with an application of the Pro-F1 leather dressing or similar product.
