

No Tools Required

NOTE: Right and Left side of Motorcycle is determined while sitting on the bike.

PARTS LIST

Your kit includes one of the following items: Z1203, Z1204 or Z1205
No hardware required.

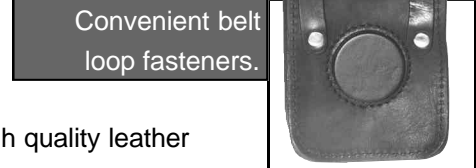

Z1203 Tool Bag

Z1204 Tank Cover

Z1205 Tank Pouch

Convenient belt loop fasteners.

PREPARATION

1. Position the motorcycle securely on its side stand.
2. Before installing your Leather Tool Bag, Tank Cover or Tank Pouch apply a high quality leather dressing / water repellent product to protect the leather from moisture and dirt.

INSTALLATION

Z1203 fastens to the fork tubes, resting on fender. **Z1204** hooks to the lip of the tank cover, front and rear. **Z1205**- magnetic application to top of tank cover.

MAINTENANCE

Before installing your leather product apply a high quality leather dressing / water repellent product to protect the leather from moisture and dirt.

Periodically clean your leather product with a quality leather cleaner / conditioner product. Follow the cleaning with an application of a leather dressing/ water repellent product to protect the leather from moisture.
